Product description

We sell second-grade products in full forklift bundles; please confirm available bundle sizes before purchase. When estimating the required quantity, allow for higher waste than with standard-grade products.

Clearance items include Grade I (first-quality) products that are sold in batches.

These products are non-returnable and non-exchangeable.

Typical defects that classify a piece as second-grade:

- Excessive knots
- Knot holes
- Shape irregularities
- Color inconsistencies
- Cracks
- Partially unplaned surfaces
- Incomplete edges

Defects may occur anywhere on the piece.
