

Fire Retardant Treatment

30100

Product description

We can apply fire-retardant treatment using the following products:

- **Teknos FR Facade** – class B-s1,d0 (opaque fire-retardant paint for exterior and interior use)
- **Teknos FR Panel** – class B-s1,d0 (semi-transparent tintable fire-retardant lacquer for interior use)
- **Nordtreat NT Deco** – class B-s1,d0 (semi-transparent tintable fire-retardant for exterior use)
- **Holz Prof HR-Prof** – class B-s1,d0 (semi-transparent colorless fire-retardant for exterior use)

Contact our sales team for detailed information on the suitability of these treatments for your application.

Kiwa Inspecta has issued the company a product certificate for the durability performance of fire-retardant wood products: **0416-CPR-13461-01**. Download the certificate here: <https://www.lauta.fi/ar-tikkelit/asiakaspalvelu/ladattava-materiaali>
